

SCUNA Committee Meeting Minutes - 14/9/05

Present:

Adrian
Lizzie
Freya

Apologies: Stuart, Phoebe.

Meeting opened: 6:25

We are considering the lighting for the concert, possibly two light stands that may be filtered. We may need two people to do lighting. We can possibly sing in the dark for the bogorodytze movement.

We will investigate using gold accessories for both males and females for the concert with head to toe black dress. We may go on a shopping expedition to find possible accessories.

One thousand dollars has been approved for use in publicity of the upcoming concert.

ACTION: All committee members to get as many free advertisements as possible for concert, including radio and community groups, motion Lizzie, second Freya, motion passed.

Freya and Adrian need to review who may not make the rehearsal limit for concert and inform the relevant choristers.

Freya will contact Albert Hall as a possible venue for the Dvorak performance next year.

The CD covers for our last concert will be done by next week for sale.

ACTION: Complete SCUNA CDs Mozart for sale for \$10 by 21/9/05. Motion Adrian, Second Lizzie, motion passed.

The concert will start at 7pm on Saturday October 15th.

We need to organise a room in the school of music for our rehearsal with the soloists on the 12th of October.

ACTION: SCUNA will perform songbook songs and rachmaninov movements at the University of Canberra for Multicultural week on Saturday the 24th of September at approximately 6.30pm. This will count towards our rehearsal policy for publicity sings.

There will be one more publicity sing on a Thursday before the concert. This will probably occur in the second week back on Thursday the 29th of September.
