-There is a possibility that there will be students in semester two who are not members of the student society. We will consider plan of actions when more information is available. We might need to change the student price structure.

- for 1st Semester next year, if you are a student and join in 0-week or the first rehearsal, membership costs \$10, membership is \$20 for returning students if not joining at these times (STRICTLY).
- **Motion** that membership fees are as follows, new students \$10, returning students in O-week \$10, returning students \$20, Concession \$45, Associate Members \$65. Motioned By Adrian Second by Stuart, Passed unanimously.

-Phoebe will design our posters and fliers ASAP to give us time. To print them, to organise poster and flier runs and getting them into the Student showbags. Most coordination with ANUSA.

-Adrian volunteers to organise everything needed for showbags. This includes the actual bags with SCUNA print on it. Pencils, Water, SCUNA Draught, copy of flier, "guide to SCUNA", SCUNA orchestra information form. Adrian will also inquire about buying one new banner, it will be tough (made out of canvas) very big and will act as SCUNA's official banner. Adrian will volunteer to photocopy 15 membership forms then take them to affiliate SCUNA with ANUSA. Continue to organise all our meetings. Adrian will also make the new membership forms for students and associate members with the new prices and print off around 200 for Market Day.

-Freya volunteers to organise the burning of the Mozart and Rachmaninov CS, as well as covers for the CDs. We will burn 50 Rachmaninov CDs and 150 Mozart CDs. Freya will also coordinate the SCUNA draught.

-Helene volunteers to create the SCUNA orchestra information sheet and application sheet, she will need to coordinate this with Jonathon. Organise a room and time for first orchestra rehearsal and audition.
