Vocal scores:

- About 80 scores have definitely been posted and should arrive by next week.
- An Internet site also allows free download of the Beethoven 9<sup>th</sup> score.

Orchestral scores:

- NCO has already borrowed all the Beethoven scores. SCUNA is allowed to photocopy all the relevant parts and to borrow 2 full scores from NCO.

Mozart Requiem scores

- Armidale Choral Society is still missing 20 scores from 2005.

#### 2. 3<sup>rd</sup> piece for NCO concert/Orchestra issues

- Will be worked out in the next 4 or so days. If NCO won't accompany the choir, pieces for unaccompanied choir, choir and piano or choir and wind are possible.
- NCO will receive details of the SCUNA orchestra after tomorrow's rehearsal.
- SCUNA orchestra needs a concert of its own to retain members.

#### 3. New Committee Positions

- New Concert Manager (from orchestra) and an orchestra librarian – should be appointed after tomorrow's rehearsal.
- Section reps, New Member rep, Associate Member rep, Social/Camp officer, assistant Concert Managers and Publicity assistants – should be appointed during today's choir rehearsal.

#### 4. Portable keyboard

- Joy will find out where we can store a fairly large keyboard (MCC cupboard, etc.).

#### 5. Soloists

- Possible soloists: Catriona (soprano), Christina (alto), Greg Wallace (tenor), Tom Millhouse (baritone).
- Willing to pay around \$150 - \$200. NCO may help with costs if not too expensive.
